

Peer Helper of the Year Award

AWARD INTRODUCTION

The Peer Helper Program strives to give students the opportunity to make meaningful connections with their campus community while taking on non-paid leadership positions within a variety of departments and offices. The Peer Helper Program encourages professional development through these immersive opportunities that aid in students gaining valuable soft skills. The three pillars that ground the Peer Helper Program are

The Peer Helper Program is pleased to present this award to recognize the amazing work our students have experience on-campus.
