To Enter Admission Decision:

- Navigate to the Application Evaluation page by using the Transfer To option. Alternatively you can use this navigation: Student Admissions > Application Evaluation > Application Evaluation. Click the Transfer To list.
- 2. Click the Application Evaluations list item. Application Evaluations
- 3. Click the Go button.

4. The Application Evaluation component/page displays. This page is used only by GPA's to assign an admission value once the evaluator reviews are completed and the department/faculty has made a final decision.

<u>Note:</u> GPA's need to follow current faculty or departmental process for deciding admission. Once the department process is followed GPA's need to go to the Application Evaluation tab and insert the final decision.

Click the Eval Stat list.

 A list of Evaluation Status display. Programs with <u>Delegated Admission Authority</u> can choose: DeptADMIT (department admit) DeptINADM (department inadmissable)

Programs who send recommendations for admission to FGS can <u>only</u> choose: DeptRECOM (department recommended) Dept INADM (department inadmissable)
