

The following outlines the steps for processing an application for the Leaders in Medicine degree program.

Prior to this process it is IMPERATIVE the Search/Match process be completed prior to adding a new student.

Search/Match:

Student Admin Basic Search is the most restrictive search and is based on a defined set of rules. To use this search you need to know specific information about the student (full name and/or birthdate). Student Admin Ad Hoc Search is less restrictive and can be used with limited information (first letter of a last name).
